

# ANSWER WRITING STRATEGY FOR UPSC MAINS 2026 (Structure, Content & Presentation)

## INTRODUCTION: WHY ANSWER WRITING DECIDES YOUR RANK

In **UPSC Mains**, knowledge alone does not fetch marks—**presentation of knowledge does**. Two candidates with similar preparation can differ by **150-250 marks** purely due to answer writing.

UPSC examiners look for:

- **Clarity**
- **Relevance**
- **Structure**
- **Analytical depth**
- **Presentation**

*UPSC does not reward everything you know, but how well you answer what is asked.*

---

## PART I: STRUCTURE - THE SKELETON OF A HIGH-SCORING ANSWER

### 1. Understanding the Question (MOST IMPORTANT STEP)

Before writing:

- Identify the **directive** (Discuss, Examine, Analyse, Critically Evaluate, Comment)
- Identify the **core demand**
- Identify the **dimension(s)** involved

### Common Directives & Expectations

Directive  
Discuss  
Analyse  
Examine  
Critically Evaluate  
Comment

What UPSC Expects  
Balanced explanation  
Break into parts + cause-effect  
Scrutinize facts + implications  
Pros + cons + judgement  
Opinion backed by facts

---

## 2. Ideal Answer Structure (Universal Format)

☐☐ **Introduction (10-15% of answer)**

☐☐ **Body (70-75% of answer)**

☐☐ **Conclusion (10-15% of answer)**

---

## 3. How to Write a Powerful Introduction

Avoid generic starts like *"Since ancient times..."*

### Best Types of Introductions:

- **Definition-based**
- **Current affairs-based**
- **Constitutional provision**
- **Data/Report-based**
- **Historical context (if relevant)**

### Example (Polity Question):

---

## 4. Body: The Scoring Zone

Structure body using:

- Headings
- Sub-headings
- Bullet points
- Diagrams / Flowcharts

- Social
- Ethical
- Environmental

---

## 5. Conclusion: Leave a Lasting Impression

Good conclusions:

### Example:

“Strengthening cooperative federalism is essential to realise the constitutional vision of inclusive and participatory governance.”

---

## PART II: CONTENT - WHAT TO WRITE TO SCORE MORE

## 1. Relevance Over Volume

- 150 words  $\neq$  300 words
- Write **what is asked**, not **what you know**

---

## 2. Use Value-Added Content
