CDS 2027 Preparation Strategy

Start with the Basics

Begin by understanding the complete syllabus and exam pattern. Identify your strengths and weaknesses and prepare a realistic study timetable.

Follow a Daily Study Routine

A balanced preparation schedule could include:

English: 1-1.5 hours
Mathematics: 1.5-2 hours
GK & Current Affairs: 1-1.5 hours
Revision & Practice: 1 hour

The schedule can be modified according to individual requirements.

Practise Previous-Year Questions

Solving previous-year CDS questions helps you understand the difficulty level, frequently asked topics and question patterns. It also improves speed and confidence.

Take Regular Mock Tests

Mock tests are an important part of CDS preparation. After every test, analyse your mistakes and identify the topics that need more practice.

Revise Consistently

Maintain short notes for formulas, vocabulary, current affairs and important facts. Regular revision helps retain information for longer.
