

Common Mistakes CDS Aspirants Must Avoid (Complete Preparation Guide)

Every year, thousands of candidates appear for the **Combined Defence Services (CDS) Examination**, yet only a small percentage make it to the final merit list. The reason is **not lack of intelligence**, but **avoidable mistakes** during preparation, exam execution, SSB interview, and medical stages.

This article highlights the **most common mistakes CDS aspirants make** and explains **how to avoid them** to improve your chances of selection in **CDS 2026 and beyond**.

1. Starting CDS Preparation Without Understanding the Exam

❑ Mistake

Many aspirants start studying randomly without understanding:

- CDS exam pattern
- Syllabus
- Marking scheme
- Negative marking

❑ Solution

- Go through **official UPSC CDS notification**
- Understand:
 - English (100 marks)
 - GK (100 marks)
 - Maths (100 marks – for IMA/INA/AFA)
- Plan preparation accordingly

2. Ignoring the Importance of NCERT Books

❑ Mistake

Skipping NCERTs and directly jumping to advanced books.

❑ Solution

- Read **NCERT (Class 6-10)** thoroughly for:
 - History
 - Geography
 - Polity
 - Science
- NCERTs build **conceptual clarity**, especially for GK.

3. Focusing Only on Written Exam, Ignoring SSB

❑ Mistake

Preparing only for written exam and starting SSB preparation **after results**.

❑ Solution

- Develop **OLQs** from day one:
 - Leadership
 - Communication
 - Decision-making
- Read newspaper daily
- Participate in group activities and discussions

SSB is a personality test, not a coaching-based exam.

4. Poor Time Management During Preparation

❑ Mistake

Studying without:

- Daily targets

- Weekly revision
- Mock tests

□ **Solution**

- Make a **realistic timetable**
- Allocate time for:
 - Study
 - Revision
 - Practice
- Attempt **weekly mock tests**

5. Ignoring Previous Year Question Papers

□ **Mistake**

Preparing without analysing **CDS previous year papers**.

□ **Solution**

- Solve at least **10 years of CDS papers**
- Understand:
 - Question trends
 - Difficulty level
 - Repeated topics

6. Over-Attempting Questions in the Exam

□ **Mistake**

Attempting too many questions without accuracy due to fear of low attempts.

□ **Solution**

- Focus on **accuracy over quantity**

- Remember:
 - 1 wrong answer = -0.33 marks
- Attempt only what you are confident about

7. Neglecting Mathematics (For Non-Math Students)

❑ Mistake

Avoiding Maths due to fear or weak basics.

❑ Solution

- Start with **Class 8-10 level basics**
- Practice daily
- Focus on:
 - Arithmetic
 - Algebra
 - Geometry
- Maths can become a **scoring subject** with practice

8. Memorising Answers for SSB Interview

❑ Mistake

Using pre-prepared, artificial answers during:

- Interview
- Psychological tests
- Group discussions

❑ Solution

- Be honest and natural
- Develop self-awareness

- Express your real thoughts clearly

SSB assessors detect fake behaviour instantly.

9. Dominating or Staying Silent in Group Tasks

❑ Mistake

- Dominating discussions aggressively
- Staying completely silent

❑ Solution

- Maintain balance:
 - Speak when necessary
 - Encourage others
 - Show teamwork

10. Ignoring Physical Fitness & Medical Standards

❑ Mistake

Starting physical training **after SSB recommendation.**

❑ Solution

- Start early:
 - Running
 - Push-ups
 - Flexibility
 - Maintain ideal weight & posture
 - Regular medical check-ups
-

11. Depending Completely on Coaching Institutes

❑ Mistake

Believing that coaching alone guarantees selection.

❑ Solution

- Coaching can guide, not replace effort
- Self-analysis and practice are key
- Many recommended candidates are **self-prepared**

12. Lack of Consistency & Patience

❑ Mistake

Changing study plans frequently or quitting after one failure.

❑ Solution

- Stay consistent
- Learn from mistakes
- Many officers clear CDS in **2nd or 3rd attempt**

13. Ignoring Current Affairs & Defence Awareness

❑ Mistake

Studying static GK only.

❑ Solution

- Read daily newspaper
- Follow:
 - Defence exercises
 - Military news
 - International relations

14. Poor Stress Management

❑ Mistake

Getting anxious during:

- Exam
- SSB
- Medical tests

❑ Solution

- Practice meditation or sports
- Sleep well
- Stay calm and confident
