Current Affairs Preparation Strategy for CAPF 2026

Victor Growth

Introduction

The **CAPF (Central Armed Police Forces) Exam 2026**, conducted by UPSC, is one of the most challenging competitive exams for aspiring Assistant Commandants. Among the subjects, **Current Affairs plays a crucial role**, especially in **Paper I (General Ability & Intelligence)** and **Paper II (Essay & Comprehension)**.

Mastering Current Affairs is not about memorising headlines. It requires **consistent reading, analysis, and revision** of important issues related to national security, defence, governance, and international relations.

This article provides a **complete preparation strategy for Current Affairs for CAPF 2026**, along with subject-specific tips and how **Victor Growth Coaching** supports aspirants.

Why Current Affairs is Important for CAPF

- **Weightage in Paper I:** Around 25–30 questions come directly from Current Affairs.
- **Essay & Comprehension (Paper II):** Topics are usually based on current national or international issues.
- **SSB Interview:** Tests awareness of defence, politics, and socio-economic issues.
- **Officer Role Requirement:** As future Assistant Commandants, aspirants must stay updated with national and global affairs.
