

Exercise Bongosagar 2025

The **India-Bangladesh Naval Exercise Bongosagar 2025** and **Coordinated Patrol (CORPAT)** were successfully conducted in the **Bay of Bengal**, reinforcing maritime security and strengthening naval cooperation between the two nations.

Objective of Exercise Bongosagar 2025

The primary goal of this naval exercise was to **enhance interoperability** between the **Indian Navy** and **Bangladesh Navy**, ensuring better coordination in responding to maritime security threats such as piracy, smuggling, and illegal fishing.

Key Participants

- **INS Ranvir** – Indian Navy
- **BNS Abu Ubaidah** – Bangladesh Navy

Major Operations Conducted

The exercise featured a wide range of complex maritime drills, including:

- ✓ **Surface Firing** – Live weapon drills for accuracy and combat readiness.
- ✓ **Tactical Manoeuvres** – Coordinated movements to test operational efficiency.
- ✓ **Underway Replenishment** – Mid-sea refueling and resupply operations.
- ✓ **Visit, Board, Search, and Seizure (VBSS)** – Training for counter-piracy and anti-smuggling operations.
- ✓ **Communication Drills** – Seamless information exchange between naval units.
- ✓ **Quiz & Knowledge Sessions** – Enhancing professional skills among junior officers and operational teams.
- ✓ **Steam Past** – A synchronized naval parade showcasing coordination and discipline.

Strengthening India-Bangladesh Maritime Security

This exercise has significantly strengthened **bilateral ties** and improved **tactical planning, coordination, and information-sharing** between the two navies. The enhanced collaboration ensures **seamless maritime operations**, improving their ability to counter emerging threats effectively.

Commitment to Regional Stability - SAGAR Initiative

The success of **Exercise Bongosagar 2025** underscores India's commitment to regional stability under the **Security and Growth for All in the Region (SAGAR) initiative**. By fostering closer naval ties, both nations contribute to a safer and more secure **Bay of Bengal region**.
