Frequently Asked Questions (FAQ) About the SSB Interview

1. What is the SSB interview?

The SSB (Services Selection Board) interview is a five-day assessment process for selecting candidates for officer-level positions in the Indian Armed Forces. It evaluates personality, leadership qualities, communication skills, and mental & physical fitness.

2. Who conducts the SSB interview?

The interview is conducted by the Indian Army, Navy, and Air Force through their respective selection boards.

3. How many stages are there in the SSB interview?

There are two stages:

- **Stage I:** Screening Tests (OIR Test + PPDT)
- **Stage II:** Psychological Tests, Group Testing Officer (GTO) tasks, and Personal Interview.

4. How long is the SSB interview process?

The process usually lasts **5 days**, with different tests and tasks scheduled each day.

5. What is the eligibility to attend the SSB interview?

Eligibility depends on the entry type (NDA, CDS, AFCAT, etc.) but generally requires Indian nationality, educational qualifications, and age criteria as specified in the recruitment notification.

6. How can I prepare for the SSB interview?

Preparation involves improving communication skills, general awareness, physical fitness, and practicing psychological and group tasks. Enrolling in the **No.1 SSB Coaching in Kochi** can help you get expert guidance.

7. What happens if I fail in the SSB interview?

You can reappear through other eligible entries until you meet the maximum number of attempts or age limit.

8. Are there physical fitness requirements for the SSB interview?

Yes. Candidates must be medically fit as per defence standards and able to participate in physical activities like obstacle courses and group tasks.

9. Is coaching necessary for SSB interview preparation?

While self-preparation is possible, coaching at the **No.1 SSB Coaching in Kochi** can provide structured training, mock interviews, and insider tips from experienced mentors.

10. How is the final recommendation made in the SSB interview?

The board assesses your overall performance across all tests and tasks. Only candidates who demonstrate officer-like qualities are recommended for medical examination and final selection.
