

One Nation One Subscription (ONOS)

One Nation One Subscription (ONOS): Everything You Need to Know

Overview:

- ONOS **empowers India's research ecosystem** by providing access to international scholarly journals and articles.
- Announced under **the Viksitbharat@2047 vision** to promote innovation and research for India's growth.

Key Features:

- **Access to 13,000+ journals from 30 international publishers.**
- Benefits 1.8 crore students, faculty, and researchers across various disciplines.
- Covers over 6,300 government higher education and R&D institutions.

Goals:

1. Democratize access to high-quality research, including Tier 2 and Tier 3 institutions.
2. Promote global research participation and collaboration.
3. Align with the **National Education Policy (NEP) 2020** and Amrit Kaal goals.

Implementation:

- Managed by INFLIBNET (Information and Library Network), ensuring seamless digital access.
- **₹6,000 crore allocated for 2025-2027.**
- Discounts on Article Processing Charges (APCs) for researchers.

Future Prospects:

- Complements Anusandhan National Research Foundation's objectives.
- Synergizes with existing consortia initiatives of 10 central ministries.
- Encourages innovation, entrepreneurship, and Indian journal promotion.

Conclusion:

- **ONOS is transformative for India's academic and research communities, ensuring inclusive access to global knowledge and fostering a research-driven, self-reliant India.**
