## Discover the Talent. Shape the Future.

At **Victor Growth**, we believe that true potential only needs the **right guidance** to shine.

The **Talent Search Exam 2025**, to be held on **19th October 2025**, is a unique initiative to identify and nurture students who have the capability to excel in India's most competitive exams such as:

- **Civil Services** - IAS, IPS, IFS, IRS
- **Defence Services** - NDA, CDS, AFCAT, CAPF
- **Professional Courses** - NEET, JEE, CLAT, CUET, SSC, Banking

**Registration Form** : <https://forms.gle/Pq35mkmn6nm6ghFF6>

This program aims to find students with strong aptitude, discipline, and leadership potential — and provide them with **expert mentorship** to help them achieve success.

---

## Purpose of the Talent Search Exam

The Talent Search Exam is designed to **evaluate aptitude, logical reasoning, and determination**, helping students and parents understand where their strengths lie and how to shape their preparation journey.

### The objectives are:

- To **identify students** who show the potential to clear national-level exams.
- To **evaluate competitive aptitude** and problem-solving skills.
- To **guide aspirants** through Civil Service, Defence, and Professional exam pathways.
- To **offer expert counselling** and clear career direction.

---

## Event Schedule

### Step 1 - Aptitude Test

• A written test based on general reasoning, mathematics, English, and general awareness.

- Questions are designed on the lines of NDA, CDS, UPSC, NEET, JEE, and CLAT standards.
  - **Duration:** 1 hour
  - **Purpose:** To check the **competitive aptitude and analytical ability** of students.

---

### Step 2 - Physical Fitness Assessment

• For Defence aspirants, a short **physical test** will be conducted to assess endurance, coordination, and confidence.

- Participants will also learn about **Defence service physical standards** and fitness training routines.

---

### Step 3 - Individual Counselling

• One-on-one **counselling sessions** with Victor Growth faculty and experts.

- Detailed performance analysis
- Personalized career guidance for **Civil Services, Defence, NEET, JEE, CLAT, and other exams**
- Parent-student counselling to align preparation with potential

---

### Step 4 - Expert Interaction & Doubt Clearing

• **Civil Service and Defence Experts** will address participants on:

- How to start preparing for UPSC, NDA, CDS, NEET, JEE, and CLAT from school and college level
- The importance of discipline, mindset, and goal-setting
- Strategies to balance academics with long-term competitive exam preparation

Followed by an **open doubt-clearing session**, where students can interact directly with experts.

---

## Who Can Participate

**Students from Class 8 to Degree level** can participate.

This includes:

- **School Students (Class 8 to 12)** – preparing or aspiring for NDA, NEET, JEE, CLAT, or Civil Services foundation.
- **College Students / Graduates** – aiming for UPSC Civil Services, CDS, AFCAT, or Professional Exams.

Whether you dream to serve the nation as an **officer**, a **doctor**, an **engineer**, or a **civil servant**, this event helps you identify your strengths and get started with the right preparation path.
