- How to apply
- And much more

What is the Military Nursing Service (MNS)?

The **Military Nursing Service (MNS)** is a specialized branch of the **Indian Armed Forces Medical Services (AFMS)**. It consists of trained female nursing officers who provide medical care to:

- Army personnel
- Navy and Air Force personnel
- Their dependents
- Ex-servicemen

- Civilians during emergencies and war

MNS officers serve in:

- Military Hospitals
- Base Hospitals
- Field Hospitals
- Peacekeeping missions
- Disaster and emergency relief operations

They hold the status of **Commissioned Officers** in the Armed Forces.

Why Choose MNS as a Career?

MNS is not just a job – it is a **lifetime honour and service to the nation**.

Key Benefits of MNS Career:

- Permanent Government Job
- Officer Rank & Uniform
- High Social Respect
- Attractive Salary & Allowances
- Free Medical Facilities
- Job Security till Retirement
- Pension & Gratuity
