## Testimonials

"Vijay sir is one of the best guides a civil service aspirant can ask for. He does not follow the traditional text-book format of studies, rather he helps one go deeper into each area, analyse it and understand why and how questions are asked from that area. This ensures that we develop a broader understanding of different concepts and issues, and thereby helps us prepare for the exam in a wholesome manner. I have immensely benefitted from the mock exams he gave us. Vijay sir has not just been a teacher, but also a good friend and philosopher to all of us

Students. I must place on record my sincere gratitude to him for the unflinching support and inspiration he has always given me - during my highs as well as my lows. I am sure Victor Growth will produce more and more victors in the coming future."

My association with victor growth dates back to 2013. The personal attention provided to each candidate is the main attraction in victor growth. Vijay sir classes, especially geography helped me very much. The test series too is an added benefit. A good atmosphere for group discussion as well as for individual reading. **Shabeer Muhammed , IFS Officer**

I was a student preparing for Civil services in victor growth from 27 Feb 2015 to 23 Aug 2015. I was just a beginner and tried first attempt..I was an ex service man.. age was 37th year all tides are running away from me.... last attempt but... I got confidence by studying there and could not able to clear pre but by 2014 criteria I was passed and I am happy to say that in both my papers I have scored more than Tina Dabi.. This was possible only because of Mr Vijay and his dedicated team which put full onus on us ...individually and also let us prepare as a team ....in coming time with Mr Vijay and his faculties dedicated efforts more personnel will be clearing civil services 2016..With this preparations I could able to clear UKPSC ITI principal exam, UPSC Senior Scientific Officer Interview and my present job in TIFR as Administrative Officer as Group A officer in central Govt employee.... **Jai Hind .Bharat Joshi**
